*Must be a networked charger.

SRP business customers can receive rebates of $1,500 per port for networked Level 2 EV charging. For detailed program and eligibility requirements, visit **savewithsrpbiz.com/ev**. Rebate funds are limited and available on a first-come, first-served basis. For more information or to check the availability of funds, contact the program administrator at **etechrebates@srpnet.com** or call **(602) 236-3065**.
